## PREA Annual Report 2024 – §115.88

All PREA allegations are tracked through a secured database that can be easily accessed by the State Institutions. Only the aggregate numbers will be reported annually on the DOC website. Information reported will not be indicative of the institution, the victim, nor the aggressor. Anonymity will ensure the integrity of the process and encourage the reporting of all PREA allegations in the future. This practice will also eliminate unjust labeling of any specific institution.

### **ANALYSIS**

During the fiscal year of 2023, there were a total of three hundred and twenty three PREA related allegations. The number of substantiated, unsubstantiated and unfounded cases continue to fluctuate yearly.

### **CORRECTIVE ACTION**

The Department has implemented PREA and each Institution has adopted rules and regulations for the deterrence, protection, and reporting of prison rapes. These rules include but are not limited to the immediate separation of victim and perpetrator through the use of administrative segregation or suspension pending investigation for employees, and if substantiated, the filing of criminal charges against the perpetrator whether staff or offender. The Department has also made anonymous third party reporting available through Crime Stoppers, using a toll-free number. Further specialized training has been made mandatory for the Prison Rape Elimination Act, PREA Investigators, and Medical/Mental Health staff to serve as Victim Advocates when necessary. The Louisiana Department of Corrections began the audit process and has made changes to the agency regulation to continue compliance with mandatory standards. At this time, each state prison has successfully completed the PREA audit process, each facility obtaining compliance certification.
